Dear Mr. Pallotta,

It is with great pleasure that I pen this letter of recommendation for the work performed by your P3 Inc. in the construction of our 15,000 square foot addition. On behalf of the Holyoke Community Charter School, I would like to thank you for your attention to detail and your overall management of our building project. P3 has performed admirably in overseeing the planning and execution and development of our new facility.

As you know my expectations are founded in excellence as demonstrated through the evaluation of a vendor's performance. Your organization has met my standards in this arena. The tasks addressed by the Owners Project Manager are varied and complex yet critically important in determining the overall quality and cost of a project. P3 has met my expectations. It is without reservation that I would recommend P3 as a vendor in the capacity of an Owners Project Manager.

In closing again, I would like to thank you for all the hard work you performed on behalf of our student body.

Best regards,

Joe Dougherty  
Director of Operations
